Connect

(The siblings' argument)

alternative title

Why did you choose this title?

The story is about two siblings quarrelling.

Things got challenging but you kept trying!

AWESOME!

Love this piece of work, Leila!

THE CLEVER CARPENTER

(EXTEND)

Have you ever experience something similar to the story?

I once had a argument with my friend and she did not talk for a month just because I changed the game we played. But we made up already.

CHALLENGE

A Time when you are unjustly punished, write about it.

Once my brother left the tooth paste on the sink ledge and my father thought it was me! so he scolded for something that my brother did.

THE END

Thank You
