Chinese New Year Celebration

CNY Walk

In the effort to foster the school-community relationship and to provide an avenue for our students to display the values that they have learnt in school, the Mother Tongue department will be arranging our Primary 3 students to pay the residents of Eng Kong Neighbourhood a door-to-door courtesy visit during the Chinese New Year

CNY Library Activities

Chinese New Year is one of the most important festivals for the Chinese. On 19th and 20th January, our Parent Support Group has organised Chinese New Year craft activity for our pupils. Through this activity, pupils learnt about how to make crafts using red packets as well as the CNY culture.
