Mid-Autumn Festival Celebration

The Mid-Autumn Festival has much to do with the reunion of families as with the spirit of sharing. With much zeal, our Parent Support Group has extended and lent their support by organising a range activities for our pupils. Namely, interactive learning stations highlighting seasonal Mid-Autumn food produce, making lantern crafts and even engaging in lantern riddles. More impressively - An artfully skilled 'Tea Ceremony' (live demonstration) will further imbue tea appreciation as our pupils immerse in this joyous celebration of the Mid-Autumn festival.
